How to Chat with Attendees

Reach out to other conference participants to connect virtually via messaging or video chat.

- If an attendee is in your network, you can tap the **Call/message** button directly from the networking page to send them a message or start a video call.
- You can also visit the attendee list to start a conversation with other users. Use the search function to find who you are looking for, or simply click on a profile.
- Once in a profile, click the **Call/Message** button.
- Simply type in your message to send them a note; or click the **Start Video Call** button to chat over your webcam.
- The attendee must be online for you to video call with them.

**Note, each participant is allotted up to (5) 1:1 video chats per day. Each one may be a maximum of 20 minutes long.**
